GRADUATION '87

P. 127

There may be many things we have forgotten (or have chosen to forget) about Molloy since graduation, but the friends we made and the good times we had are certainly not among them.

We may not have seen our advisor *regularly*, nor dropped our courses *officially*, and may not be able to recall each instructor's name. The confusion of intense studying around midterms and finals week may be a thing of the past. And now that it is all over, we may have forgotten some of what we learned. Surely we have chosen to forget what we actually went through to register or get a parking space, not to mention completing a Financial Aid form!

But what about the people? One unique quality Molloy had was its student body. Class sizes were small enough for us to have a one-on-one relationship with the instructors and form solid friendships with the people on campus.

We, the graduates of '87, can now look with recollection at the pages ahead and relate the words and pictures to our own experiences here at Molloy. Whether we were studying or partying, getting involved or just hanging out, if nothing else, our *friends* got us through it all!

You have known me in good and bad times
You have seen me when I was happy
And when I was sad
You have listened to me when
What I said was intelligent
and when I talked nonsense
You have been with me
When we had fun
And when we were miserable . . .
. . . You have watched me laugh and cry
You have understood me when I knew what I was
doing
And when I made mistakes
Thank you for believing in me
And for always being ready to share thoughts
together
You are a perfect friend.

— Susan Polis Schutz

No two people are alike. We share similar experiences and yet we all react differently. A wide variety of people exists at Molloy. We are beauties and learned men, artists and athletes, philosophers and comedians. Although each of us is individually distinguished from others by our personalities, we share the enthusiastic bond of spirit. There is a quiet, subtle spirit that roams about Molloy . . .

... It comes from friends supporting each other, cooperating with people to achieve a goal, a successful musical, a basketball victory, a good mixer, journalists meeting a deadline, people loving each other. It is not always spoken of, but it is there. This spirit radiates throughout our halls.

We have walked this road together,
Some of us have found it invigorating,
Some of us have found it hard and rocky,
Some of us have found it difficult to keep pace.

Now many paths stand before us;
Shall I take the straight road
and never turn my head,
Shall I take the curved road
and seek adventure . . .

... Shall I take the rocky road
and explore each stone?
Or shall I take the dusty
and look for a different life?
Whatever road I shall choose
it will be because I have
walked this path with all of you.
Thank you for being with me
every step of the way.

In life's tapestry, Lord, thanks for every stitch
The friends who form the pattern,
and make my life so rich.

There were times when I didn't think I'd make it,
When I felt the walls pressing in on my mind.
Those moments when I lost sight of my goals
I was ready to call it quits.
The only reason I made it is because you listened to me.
I remember the times you cried on my shoulder:
There were just too many things to be done in too little time.

Perhaps it would have been easier to turn and walk away.
But I helped you through, because I listened.
The way we carried on, you'd think the world was ending.
But we were too caught up to let that happen.
We pulled each other through and somehow we both survived
We never could have made it alone, if we hadn't listened.

Footprints in the Sand

*One night I had a dream.
I was walking along the beach with the Lord,
And across the skies flashed scenes from my life.
In each scene I noticed two sets of footprints
In the sand. One was mine,
and one was the Lord's.
When the last scene of my life appeared before me,
I looked back at the footprints in the sand, and,
To my surprise, I noticed that many times
Along the path of my life there was only
One set of footprints.
And I noticed that it was at the lowest
And saddest times in my life.
I asked the Lord about it:
"Lord, you said that once I decided to follow you,
You would walk with me all the way.
But I notice that during the most troublesome times
In my life there is only one set of footprints.
I don't understand why you left my side
When I needed you most."
The Lord said: "My precious child,
I never left you during your time of trial.
Where you see only one set of footprints,
It was then that I carried you."*

THE ROAD NOT TAKEN

*Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;*

*Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that the passing there
Had worn them really about the same,*

*And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.*

*I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I —
I took the one less traveled by,
And that has made all the difference.*

— Robert Frost

19 it's party time!! 87

OFFICER'S CLUB

During the course of a hectic school year, Molloy students still found time to party. Several clubs sponsored various mixers which were parties where other colleges were invited to attend. Mixer themes ranged from Halloween to M.A.S.H. to Motown.

In October, we donned crazy costumes. These included California raisins, clowns, Santa Claus, Run DMC, a tourist being absconded by an Arab Sheik, bunnies, a slice of pizza, and more! Nixon made an appearance, and yes . . . even a Molloy, we had a few devils!

In keeping with a classic, we threw a "M.A.S.H. Bash" where characters such as "Hot Lips," Radar, B. J., and the like could be seen dancing around. Drinks were served in the Officer's Club, and who can forget Jopus-in-drag as Klinger?

Sounds of Stevie Wonder and the Supremes filled Queally Hall at the Motown mixer. But, we were still able to see how low we could go when the D.J.s played "Shout."

In addition to Friday night mixers, notices were sent to each of the offices in Kellenberg Hall to forewarn them of an upcoming student party to be held in the Anselma Room or Cedar Grove. However, D.J. Jimmy made himself heard, and Administrators were forced to do their work to "What I Like About You," and "Walk Like an Egyptian!"

Molloy Mourns Loss of a Special Student

"I'll lend you for a little time,
a child of mine," He said,
"For you to love while she lives,
and mourn when she is dead.
It may be six or seven years, or
twenty-two or three,
But will you, till I call her back
take care of her for me?
She'll bring her charms to gladden
you, and shall her stay be brief,
You'll have her lovely memories
as solace for your grief.
I cannot promise she will stay,
since all from earth return.
But there are lessons taught down
there I want this child to learn.
I've looked the wide world over in
my search for teachers true,
and from the throngs that crowd
life's lanes, I have selected you.

Now will you give her all your
love, nor think the labor vain,
Nor hate me when I come to call,
to take her back again.
I fancied that I heard them say,
Dear Lord, Thy will be done."

"For all the joy this child shall
bring, the risk of grief we'll run.
We'll shelter her with tenderness, We'll
love her while we may;
And for the happiness we've known, will ever
grateful stay.
But shall the angels call for her much sooner than we
planned,
We'll brave the bitter grief that comes, and try to
understand."

Maryellen McCaffrey
A.A. Liberal Arts

Death is very difficult for most of us to accept, especially when it happens to someone close to us. It is even more difficult to comprehend when someone we know is robbed of their life while they are still young, with their whole life ahead of them.

In September of 1983, a beautiful young woman named Maryellen McCaffrey entered Molloy as a freshman, right out of high school, as did many of us. It was an exciting time for most of us. New challenges, new friends; it was the beginning of a new era in our lives. For Maryellen, however, it was a time of a different type of challenge.

Maryellen was born with cystic fibrosis, a genetic disease that afflicts thousands. Cystic fibrosis affects particularly the lungs and pancreas. Maryellen knew she had the disease, but she was not going to let it stop her from living as normal a life as possible. She knew about the uphill battle ahead of her, yet she chose to live her life, not to wait for the inevitable. She stayed at Molloy and finished this past semester, no matter how difficult it was for her. Maryellen was a fighter. Although her disease was getting progressively worse, she fought it every step of the way.

On the night of January 11, Maryellen's frail body gave out and she passed away. At first it was sad and disappointing, because she fought so hard and for so long, but when those who knew her think back to how she lived her life, we can learn so much from it. We cannot, unfortunately, see Maryellen walking down the halls at Molloy like we used to, but we can carry her in our hearts, where her determination can be a lesson for us. Her dedication and her zest for life can only serve as an inspiration for us, to show us how important life is, and how good it is to be alive.

Let us not look upon Maryellen's death with sorrow, for she is finally through with her suffering. Instead, let us move on, living life to the fullest, with the lessons Maryellen taught us close in our hearts. Maryellen made an impact with her life. Let us make an impact with ours. And may we always remember her and her family in our prayers. — JSH

**SISTER EVANGELINE STEINMANN,
O.P., Ph.D
PROFESSOR OF HISTORY**

A lifelong educator, Sister Evangeline Steinmann completed her last teaching assignment as history professor at Molloy College in May 1986. Six months later, she passed to her eternal reward, leaving a legacy of long years of scholarly achievements on all levels of Catholic education.

Sister served in Brooklyn and Queens schools before becoming Chairman and Professor of history in Catholic University, Puerto Rico. She was a consultant and historian for the National Conference of Catholic Bishops, and the first Dominican Congregational historian. In 1975, Sister became a member of the Molloy College Board of Trustees, and four years later joined the College History Department as a distinguished faculty member. Sister established and moderated the college Chapter of the International Honor Society in History, the Alpha Alpha Sigma Chapter. Well loved and highly respected by students and fellow college members, Sister Evangeline will hold a special place in the history of Molloy. May she rest in peace.

**SISTER MARY DONALD MARRINAN,
O.P., M.A., M.L.S.**

An educator for more than 45 years on elementary and secondary school levels, Sister Mary Donald joined the Molloy Faculty as Audio-Visual Librarian in spring, 1986. Her stay at Molloy was short-lived because of an illness that was to terminate her life in December, 1986.

Although few of the College Community had the opportunity to share direct contact with her, her willingness to serve, her cheerfulness, and easy rapport with those who frequented the Media Center will assure her being remembered. Sister will always retain a small, perhaps, but important place in the long line of Molloy College Faculty. May she rest in peace.

To: Our Family and Friends

From: The Graduates of the Class of 1987

Re: *Chrysalis* Dedication

Let it be known that We, the graduates of the class of nineteen hundred and eighty-seven, hereby dedicate and thereby recognize our family and friends for their support and affirmation to us during our stay at Molloy College, Rockville Centre.

Through the years, you as family and friends have provided the strength necessary for our endurance in various programs of study. We have had very enjoyable times, not so happy times, disappointments, failings and hardships, and through it all there were special people who shared our experiences. Whether with a gentle hug, tender kiss, kind word, or your simple presence, your support has been more valuable than you will ever know.

Please accept our heartfelt thanks and enduring admiration as we graduate college. Please know that although we are "all grown up", we will always be your children and friends, and our love and care will be with you always. For that LOVE, we are eternally grateful! God Bless.

Molloy Student Government

The Molloy Student Association consists of all students of the Molloy Community who pay the activities fee. The Molloy Student Government (MSG) is the official governing body of this association. Every student is welcome to attend the MSG meetings, which occur once each week during the school year.

The officers consists of a President, Vice President, Secretary, Treasurer, Senator, Academic Board Chairperson, Activities Coordinator, Social Affairs Coordinator, Public Relations Coordinator, and an Intercollegiate Public Relations Coordinator. Each class also has a president and vice president. The Vice President for Student Services acts as an advisor and a liaison for the Student Government.

The guide for all student members of the Molloy Student Association is the Molloy Student Handbook. This document focuses on the non-academic aspects of the students' lives at Molloy, but also contains pertinent information concerning the course of action to be taken in cases of academic disciplinary situations.

The handbook serves as a calendar which contains all information concerning the year's events at Molloy. Within the handbook are the constitutions of the Molloy Student Association, Molloy Student Government, Budget Committee, and Academic Board, as well as guidelines that campus student organizations must follow as part of Activities Council. Following these documents are statements of academic integrity and general information which incorporate some of Molloy's history and tradition.

ACADEMIC BOARD

The purpose of the Academic Board is to facilitate communication among students, faculty, and their respective departments. The board consists of at least one representative from each academic department offering a major at Molloy. The concerns which faced this year's Academic Board included revisions of general academic policies, scheduling procedures, course offerings in addition to faculty and course evaluations.

In order to be a member of the Academic Board, it is necessary to be majoring in the department being represented. From year to year, dedicated students sacrifice many hours and pass on the work of striving for excellence in academics at Molloy.

Afro-American Cultural Society

This club was founded in 1977 and called itself **Not Only for Us, But for All**, (N.O.B.A.). It's main concern is to bridge the barriers which exist due to a lack of understanding of ethnic minorities and their cultures. It has since been renamed the Afro-American Cultural Society. A couple of our functions this past year included an International Buffet, and the posting of educational information during Black history month. Our aim is to promote an awareness in all students through cultural, academic, civic, and charitable deeds.

Business Club

We are a part of the National Chapter of the Society for the Advancement of Management. S.A.M. provides Molloy business students exposure to business students from other colleges as well as allowing the student to have direct contact with today's business world.

The Business Club meets to plan events, share opinions about various classes, and discuss personal insights toward the business world. The club has a variety of speakers available throughout the year. The speakers inform students about careers, advancements and other business related topics. They are a valuable source to the students interested in particular fields.

One of the Business Club's main events is the Annual Fashion Show. This show, our sixth, has taken much creative efforts on the part of our three coordinators, Kathy Fisher, Lisa Gibbons and Elaine Plaus, as well as the many members who contributed their services.

Campus Ministry

As you can tell from the group picture, Campus Ministry seems to be one of the most close knit clubs on campus. The main reason for this is our mutual concern for the spiritual growth of the Molloy community. We strive to enhance this growth by prayer, reflection, and social get-togethers. Some of our events included Lenten Supper, blanket and food drives for the needy, and our annual Silly Sports Nite.

EVEN IF ONLY FOR A SHORT TIME

I felt it,
Even if only for a short time.
Someday, I'll catch the feeling again,
And it will be mine to keep.
Maybe, hopefully, it will be with you.

You made a difference in my life,
Even if only for a short time.
You made me laugh and kept me smiling.
I haven't smiled like that in a long time.

We spoke and started to get to know each other,
Even if only for a short time.
For once I told somebody about me,
And who I am,
And I felt comfortable about it.
... I felt comfortable with you,
Even if only for a short time.

This year the Gaelic Society was very successful. In the fall semester we had an "Irish Imports" sale; we sold Irish Aran sweaters, tweed suits and shawls, Irish belleek, and many Irish foods. The club also ran a luncheon around Thanksgiving. At this event, the club took its members and their mothers out for lunch.

The event which topped off our year was the Saint Patrick's Day Parade. This is our biggest event. We represented Molloy College in the New York City Parade up Fifth Avenue. It is a special event letting us show pride in our heritage and show how we keep our tradition alive. This year was quite special for Sister Janet Fitzgerald, President of Molloy College, marched with us. The Gaelic Society looks forward to celebrating and sharing the Irish tradition with the Molloy Community in the years to come.

Glee Club

One of the most active clubs on Molloy's campus this year was the Glee Club. This is a club whose hours of practice each week under the leadership of Peggy Coles led to perfect performances at their Fall concert with the Merchant Marines of King's Point, their Christmas concert, as well as the Catholic Intercollegiate Woman's Glee Club Association festival. At this festival, which was held at Villanova University, competition took place among Glee clubs from all over the country. The combination of talents which comprised this year's Glee Club brought home their noteworthy experience from a major intercollegiate festival. Finally, they concluded a successful and exciting year with Molloy's annual Night of Song. This was a prestigious event which also served as a major fund raiser for the college.

MATH CLUB

The Math Club of Molloy is a very small organization composed of approximately 13-16 math majors and minors. The club attends Math Bowls which are intercollegiate competitions held at Adelphi, Hofstra, St. John's and Molloy. The Math Club also sponsors an annual Alumni-Student Math Dinner. Alumni are invited to return and tell the club members about the careers they have chosen with their degrees. This year, the Math Club held a Career Information Day and Workshop. Professionals in the math and computer field described their careers and the requirements needed to prepare for such a career. They also helped students compose resumes and prepare for interviews.

NURSING CLUB

The Nursing Club at Molloy is an organization which serves to stimulate and aid in the development of qualities of good citizenship and professionalism by broadening the scope of nursing majors as individuals and as members of a group. The club is one of the largest at Molloy. In addition to the many fundraisers and activities that the Nursing Club sponsors are two very important events. These are Junior Rite of Passage and Senior Pinning. The club is instrumental in funding and organizing both of these events.

PSYCHOLOGY CLUB

In order to obtain a degree at Molloy, a course in basic psychology is required. While completing this requirement, many of us found a hidden interest in the study of the mind. The psychology club exposes its members to the many facets of psychology which a classroom situation does not allow. For this reason, it is intended for anyone who is interested, and not just psychology majors.

EQUESTRIAN TEAM

The Equestrian Team is comprised of a field of riders encompassing beginner through advanced status. In addition to individual training, the team practices once a week. The team is coached by Carole Gerrity and Linda Gillespie who instruct them at Holy Spirit Farm in Syosset.

During the Fall and Spring semesters, the team competes against all other Long Island college teams recognized by the Intercollegiate Horse Show Association. Shows are all day Sunday events, and each rider, whether she be beginner or advanced, rides against other collegiate riders on the same competitive level.

At the March 1, 1987, show the team won the championship as Molloy was named "High Point College." This championship along with numerous ribbon winning rides, brought Molloy to a fourth place overall finish for the 1986-1987 show season.

SENIOR WEEK

Senior Week at Molloy takes place the week after final exams end. Each year faculty, alumni, administrators, and underclassmen take part in a five-day tribute to the graduating class, and the seniors themselves bask in the limelight of praise and congratulations.

Senior Banquet — The Senior Banquet is traditionally held in the Anselma Room at Molloy. The seniors and their guests enjoy a semi-formal evening complete with cocktails, dinner, dancing, and lots of fun!!!

Hooding and Class Night — A more serious event, Class Night is held on Wednesday of Senior Week. Amid much pomp and circumstance the soon-to-be graduates are awarded their Baccalaureate Hoods by college President Sister Janet Fitzgerald, O.P. It is on this night that departmental honors as well as other special awards are presented. A night filled with pride, Class Night is attended by a large number of faculty and administrators as well as the seniors and their guests. All are invited to join in a reception in the Anselma Room after the ceremony.

Baccalaureate Mass — This mass is held in St. Agnes Cathedral, Rockville Centre. A concelebrated liturgy is presided over by Bishop John R. McGann, while the seniors listen to their chosen guest homilist. Music is supplied by Campus Ministry while underclassmen form an Honor Guard for the seniors in their Baccalaureate Attire.

Champagne Brunch — The Champagne Brunch is held for the graduating class by the Alumni Association. Jacqueline Dunn Vita, Executive Director of Alumni Affairs, and her committee work extra hard to provide an overflow of food and champagne for the seniors and their guests. This enjoyable event is held in Quealy Hall immediately following Baccalaureate Mass.

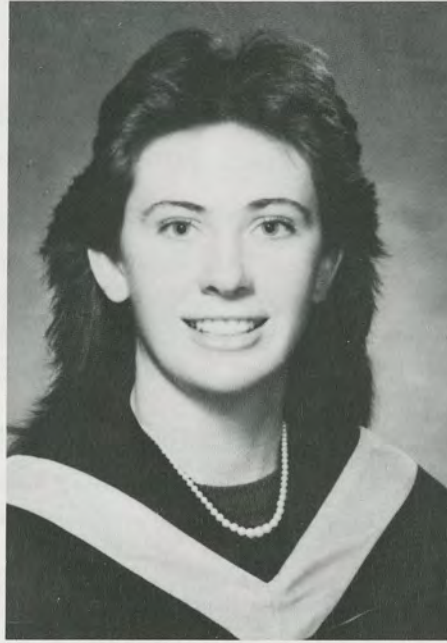

Senior Party — Held in Cedar Grove, the Senior Party is an all-day picnic filled with food, games, and dancing. It is the seniors' last chance to party together as a class, and an excellent opportunity to remember their years together as they look forward to the years ahead.

Commencement — The final event of Senior Week, Commencement Ceremonies are always filled with both laughter and tears. We are thankful to the town of Hempstead for their generosity in supplying their showmobile for use as our stage. Each year the seniors vote on a guest speaker, and this year's honor went to Melba Toliver, television's News 12 Long Island anchorwoman. The graduates receive their diplomas out on the campus field, while thousands of family members, friends, and alumni look on. Commencement is the official end of Senior Week, but it marks the first day on which the seniors are privileged to be called Graduates of the Class of Nineteen Hundred and Eighty-Seven. Congratulations to All!!!

Dear DNC:

You are an "AWESOME" DEAN. Thanks for trying to do your best to let the students' voice be heard. You always seem to know how to balance everything and everyone and for this I truly admire you. You're doing a terrific job and I think you're a great DEAN. Thanks for ALWAYS listening to our griping, putting up with our childlessness and making us believe that there's a better tomorrow (even when we use all of your tissues).

Your sense of humor is a very special thing, please, don't let anything make you lose that. Your willingness and support are what get us (MSG) through a day and even though you do not get thanks for it all the time, you truly deserve it.

Thanks for making my Senior year so much more bearable and thanks for being such a special DEAN!!!

I Love 'ya and will Miss You, LMH

Dear Steph:

Love, Your little sister, Mary
